Lyrics

Every treasure's found in Jesus;
Knowledge, wisdom's hidden in him.

Jesus is the King of all things.
He made us, he knows what's best.
So don't just guess, but read God's Bible.
It's reli'ble, cos it's all from Christ.

He's the King of God's Kingdom with all wisdom.
He is Lord of creation, the boss of every nation,
His salvation is for those who love his imitation
of the God who is good,
who is kind to tell us where to look for...

On the final round, finish the last line with...
...the God who is good,
who is kind to tell us where to look for life.
